2021 SUMMER CAMP INFORMATION

After a highly successful 2020 and perfect Covid safety track record, the Legends are gearing up for 2021 with new locations and unique summer camp experiences! Throughout our 12 year history, the Legends have built a reputation based on positive coaching, innovative teaching methods and holistic development of the entire athlete. Our compassionate and caring camp staff is trained personally by Executive Director, David Klein, the 2018 Positive Coaching Alliance National Double-Goal National Award winner! The 2021 Legends Summer Camp is the perfect opportunity for your child to learn, compete and have fun playing baseball without worrying about the virus!

Ages:

 6 - 13

Levels:

 All skill levels welcomed! *We do great with beginners*

Locations:

 **Menlo Park:** Encinal Elementary School (195 Encinal Ave, Atherton)

 **West San Jose:** Moreland Little League (4660 Eastus Dr, San Jose)

 **Mill Valley:** Strawberry Recreation District (118 E Strawberry Dr, Mill Valley)

 **Mountain View/Los Altos** (Location TBD)

PROGRAM INFORMATION

Our Mission

To inspire children to strive to be the best people and players they can be through fun, memorable and meaningful baseball experiences.

Our Vision

A first of its kind baseball program for players of all skill levels to have fun and learn from positive, knowledgeable and experienced coaches.

History & Achievements

Founded in 2008 by Experience Designer & Holistic Coach, David Klein the Legends has served thousands of youth throughout the peninsula through our “fun first” baseball experiences. With over 50 players from Legends moving on to professional baseball, all Legends coaches are trained with positive coaching methodologies to ensure our players develop skills, love baseball and have a blast no matter their skill level.

2018 Positive Coaching Alliance National Double Goal Coach Award Winner

CAMP DIRECTORS

David Klein: Founder & Camp Director (Peninsula)

Dynamic instructional designer and baseball experience architect dedicated to improving the world through creating transformational, immersive experiences. David has a 10+ year track record of holistic coaching, training and mentorship and has helped over 50 athletes reach their goal of playing professional baseball. In 2018, David was selected from over 800 coaches to be the Positive Coaching Alliance National Double-Goal Coach Award Winner.

George Peters: Camp Director (South Bay)

Going into his 6th year with the Legends, George's positive energy and infectious personality is unmatched. Currently serving as the Head Varsity Coach at Prospect High School, George has almost a decade of collegiate baseball and strength coaching experience serving with the Oakland Raiders, Cal State Stanislaus, CSU East Bay and the Academy of Art. George is fired up to lead our newest location in the South Bay!

Billy Jack Ryan: Camp Director (North Bay)

Entering his 8th year of amateur coaching, Billy Jack has been planning and executing baseball camps and teams since playing for the Legends collegiate team almost a decade ago! After serving as a regional director for San Francisco Giants Summer camps, we are beyond excited for Billy Jack to lead the charge in our newest Marin location!

Non Profit Information

Based out of Menlo Park, the Legends baseball program is a 501(c)3 non-profit which offers unique baseball opportunities to young ball players from all backgrounds. The Legends started as an elite collegiate summer league team and youth summer baseball camp, both of which support our community outreach program we call "Legends Village". Every summer, the Legends offer camp scholarships to children from underprivileged backgrounds in the East Palo Alto, East Menlo Park and Redwood City areas. In addition, our players and coaches provide mentoring for these kids, as well as disabled children and those who have life threatening illnesses. Over the past decade, the Legends Village has impacted hundreds of kids bringing fun and life lessons through baseball.

- ☐ Snacks
- ☐ Lunch
- ☐ Huge refillable bottle of water! (at least 40oz)
- ☐ Sunscreen
- ☐ Hand Sanitizer (we'll have extra)
- ☐ Covid Mask (no gaiters)

WHY LEGENDS?

Why is Legends the best summer baseball camp?

Nobody pours more attention and love into the design of their programs than the Legends. Going into our 12th year, we leverage a design-thinking approach, to breakaway from antiquated coaching methodologies and create experience for the modern Gen Z child. Our program prides itself on ensuring kids walk away absolutely LOVING baseball!

How is Legends different from other programs?

As one of the longest running baseball camps in the Peninsula, Legends has built a reputation based on positive coaching methodologies and holistic development of the complete athlete (not just baseball skills). We pride ourselves on first class customer service and ensuring each and every child has a transformational experience. Our famous 5:1 player to coach ratio ensures our kids are receiving tons of quality instruction, building meaningful relationships and most importantly staying safe! Nobody pours more love into our kids than us!

How safe is your program as it relates to Covid? Have you had cases previously?

As one of the only baseball camps to figure out how to facilitate CDC compliant programming, the Legends have generated an full year of expertise with safety protocols. In fact, the Legends Founder David Klein and staff have been hired by numerous Little eagles throughout the Bay Area to train their coaches on best practices for keeping kids safe on the field. To date, we have not had a single Covid transmission that has been linked back to our program.

Is this camp only for fun or will they actually improve their skills?

For over a decade parents have been telling us we have mastered the balance of skill building with fun. We feel strongly that these are not mutually exclusive; in fact, we believe that in order for kids to improve their skills, having fun is a must! While fun is always our #1 priority, when you combine 2 hours of dedicated instruction per day with 6 full hours on the field per day, we always see drastic improvement in baseball abilities throughout even just 1 week of camp.

CLICK HERE TO REGISTER 

What impact might Legends have on my child short and long term?

Our goal is to ensure kids walk away loving baseball and excited about the new skills they learned. Furthermore, we ensure kids walk away with a newfound confidence about their abilities and excitement about the new relationships they have formed. You can expect your child to return home exhausted but invigorated about their experience with numerous stories about their day at camp.

What if camp is cancelled or stopped due to changing Covid guidelines?

Full camp credit will be offered for the unused days. Credit can be used for any future Legends Academy program, clinic or camp offering and it never expires.

How do you group campers? Can my child be with his friends?

We prefer grouping by skill level over grouping by age. However, generally kids in the same age range will be together. We will always keep friends together unless there is a drastic variance in their age or skill level.

COVID GUIDELINES

OUR TRACK RECORD

STATUS OF CAMPS

Since June of 2020, the Legends have been facilitating CDC, CDPH & SMC compliant baseball experiences with great success. Prior to offering any baseball experience, the Legends Executive Directors has offered detailed webinars and video recordings of the many covid safety protocols in place at camp. These virtual presentations and webinars clearly articulate the agreement and expectations for which we expect our program families to operate under.

As a result of our strict guidelines we have not had to cancel any programming throughout the entire pandemic. To date we have not had a single transmission which has been mapped back to our program.

The Legends' program directors and coaches continue to adapt and evolve the protocols based on changing health regulations and as new data is released.

CURRENT CLASSIFICATION

Under [current state and local guidance](#), physical conditioning, practice, skill-building, and training that can be conducted outdoors, with 6 feet of physical distancing, and within stable cohorts are authorized regardless of county tier status. As such, the 2021 Legends Summer Baseball Camps will be operated in accordance with these guidelines and will be conducted 100% outside, with stable cohorts while adhering to every health guideline at a minimum.

COMPLIANCE

Steps will be taken to comply with all applicable and current laws, health orders, or other regulations. Legends Baseball has a Health & Safety Board Member who is designated as a COVID-19 supervisor to enforce the protocols listed in this document. Legends Baseball will follow respective County and applicable cities' mandated requirements for face coverings and other personal protective equipment (PPE) regarding COVID-19. An inherent risk of exposure to and transmission of coronavirus/COVID-19 exists in every public place or where people are present. These procedures and protocols are intended to mitigate, but cannot completely eliminate, those risks

OFF FIELD HEALTH & SCREENING POLICIES

AT HOME PARENTAL SCREENING

All individuals must measure their body temperature prior to arriving at camp. An individual with any of the following symptoms/conditions cannot attend a Legends Baseball activity until evaluated by a medical provider and given clearance to do so:

1. Active COVID-19 infection
2. Known contact with an individual testing positive for COVID-19 within the past 14 days
3. Any of the following symptoms within the previous 3 days:
 - Fever (temperature of 100.4 degrees or greater) or chills
 - Cough
 - Shortness of breath/trouble breathing
 - Night sweats
 - Sore throat
 - Muscle/body aches
 - Loss of taste or smell
 - Headache
 - Congestion or Runny Nose

Nausea or Vomiting Parents/Guardians must perform a health check of their player just prior to attending each camp day activity which includes a mandatory at home temperature check of each player.

Health checks of players are recorded through a dedicated system which will be sent to you by a member of the Legends staff prior to camp. A player will not be permitted to participate unless this health check is completed.

If any coaches or players have a temperature of 100.4 degrees or greater or any COVID-19 symptoms that are new or unexplained or have had exposure to COVID-19 cases in the past 14 days, they will not be allowed to attend any Legends Baseball activity and should fill out the [Legends Baseball Confidential Reporting COVID-19 Symptoms or Exposure Form](#).

COMMUNICATION

Two sided, clear communication between Legends and our camp parents is the key to our success. If at any point, a player or coach is demonstrating symptoms, all parents will be promptly notified and the pod may be paused.

Parents must have their phone near them during camp in case there is a situation and a camper needs to be picked up.

WAIVERS

All parents/guardians of our campers will be required to sign a document that mandates parents and players to abide by the plan of action set forth in this document. These must be signed prior to registering and participating in camp

TRAVEL & TESTING

Anyone who travels within 10 days prior to the first day of camp will need to email a screenshot of a negative test no earlier than 72 hours before the first day of camp.

EXPOSURE

Campers and coaches who have been exposed to someone with symptoms or who has tested positive within 10 days of the start of camp will be asked to stay home.

ISOLATION AND QUARANTINE

All covid specific situations will be handled on a case by case basis. The decisions as to how to handle a situation will be made so that they comply with the CDC and CDPH guidelines which exist at that time.

ON FIELD SAFETY PROCEDURES

SCREENING

Legends Coaches will screen all players that have not already been screened at home, using questionnaires upon your player's arrival at the field. Occasionally, coaches may spot check the temperature of players as they arrive. If a Legends coach or player has a temperature of 100.4 degrees or greater or any COVID-19 symptoms that are new or unexplained or have had exposure to COVID-19 cases, they will not be allowed to attend and the coach or COVID-19 supervisor will fill out the [Legends Baseball Confidential Reporting COVID-19 Symptoms or Exposure Form](#). Any Legends Coach or player exhibiting COVID-10 symptoms during a baseball camp activity shall be physically separated from all other individuals and immediately required to wear a face covering (if not wearing one already) until they can be transported home or to a healthcare facility.

SOCIAL/PHYSICAL DISTANCING PROTOCOLS

All players, coaches, volunteers, administrators, independent contractors, and spectators must practice social distancing of at least six feet wherever possible from individuals not residing within their household.

Dugouts will not be utilized at camp for storing of equipment and sitting. Campers will place their bags and gear in clearly marked locations which will all be at a minimum 6 feet apart.

SANITIZATION

All players will be instructed to bring their own bottle of sanitizer to have handy during camp. Additionally there will be numerous bottles of sanitizer (at least 60%) alcohol zip tied on fences throughout the camp venue.

All players will be instructed to wash their hands with soap and water before leaving for camp and upon arrival at home. Additionally, Legends coaches will require players to sanitize upon camp arrival and departure.

FACE COVERINGS REQUIRED

All players and coaches **MUST** wear face coverings at all times when participating in any baseball camp activity. This includes on the field of play, when entering or leaving the field, waiting to bat, “on the bench” and arriving to or leaving any baseball camp activity. If there is nobody in anywhere near a coach, if he needs to If a coach needs to raise the level of his voice in order to direct the camp, he may pull down his mask to shout as long as nobody is near him - he will need to flip his mask back over his mouth immediately after. All camp directors will have extra unused youth sized surgical masks at camp incase a player forgets, loses or breaks their mask. Gaiters or thin cotton masks will not be permitted at camp.

INDIVIDUAL EQUIPMENT - NO SHARING

Players must bring their own personal equipment to camp each day. There will be no sharing of equipment whatsoever. This includes batting helmets, glove,

batting gloves, etc.;The only item that will be shared will be the baseball itself. Players will be instructed to not touch other players’ bats, gloves, water bottles, towels, clothing, bags, etc. until shared equipment is allowed per the local, county and state guidelines. Players should not touch the coach’s equipment (bag, clipboard, cones, bat, etc.). Each player will have a designated location for his/her bag and water that meets social distancing guidelines.

CONTACT/TOUCHING

Legends coaches and campers will be instructed to not touch any other player at any time except for when they are tagging a player out during game play. Any non-essential contact such as high gives, hugs and group celebrations will not be allowed. On Monday before starting a new week of camp, a new system for congratulating and spreading positivity at camp will be determined by the players and coaches.

PODS

After Monday morning of camp, the pods will be stable throughout the remainder of camp. There is no players or coaches switching between pods after the first morning of Day 1.

Each pod will be designated to specific areas of the field which will be far from coaches and players in other groups. There will be no interactions between kids in different pods. Whenever possible we will keep carpools and siblings together. Each pod will have between 12-16 campers.

SPECTATORS AT CAMP

Spectators from a player's immediate household will be allowed for the last hour of camp. Spectators will not be allowed on the bleachers or near the dugouts. Spectators will watch from the outfield or down the foul lines practicing social distancing.

RESTROOMS

Will be available at our camp locations. Only 1 person may enter the bathroom at a time.

FOOD AND DRINK

No shared or team beverages, snacks, or food of any kind are allowed. Players should bring individual, pre-packaged food, if needed. Players, managers/coaches, and umpires should bring their own personal drinks to all team activities. Drinks should be labeled with the person's name.

INJURIES

Managers/coaches will only treat injuries that they deem serious. In the event of a serious injury (concussion, broken bone, heat stroke, etc.) the coach will treat injury while wearing gloves and their mask. In situations where an injury is not deemed serious, players will be placed in a location on the field that is safe and if the player is not able to return to play, the parent will be called for early pickup.

DROP-OFF/PICK-UP

Legends have in place a field-specific plan that accommodates drop off and pick up while adhering to physical distancing guidelines. Adults dropping players off and picking up players will stay in their cars. Carpooling is fine as long from the same baseball camp pod.

What other parents are saying about us:

TESTIMONIALS

Aude G. CA 9/12/2020

"My 10 year-old son spent the entire summer with the Legends and had the best summertime camp experience of his childhood. David and the Legends did a fabulous job adapting to the Summer of Covid to run a safe and fun camp. David aced communication with families, and was thorough and consistent with safety protocols, as was his whole team of coaches. This was our third summer with the Legends, and it sealed our appreciation for how well-run this camp is. Bravo, Legends, and THANK YOU!"

Dave M. Palo Alto, CA 7/27/2020

"David Klein and crew once again provided an amazing camp experience against all odds. I have been involved with youth sports for close to a decade, and there are none better at it than David Klein and Legends."

Nil S. Redwood City, CA 1/4/2021

"Because of his participation in Menlo Park Legends' fall and winter programs, my 9-year-old son is noticeably more confident, inspired, and happy. There is so much I love about Menlo Legends:

-EXCELLENT COMMUNICATION. Dates, requirements, and any changes are all updated quickly and clearly via email, an app, and concise videos. This helps the kids (and parents) know what to expect and lessens their anxiety (especially if they are new and don't know anyone).

-COVID SAFETY. The staff, kids, and participating families take COVID safety seriously. There hasn't been a case in the several months we've participated.

-FUN. FUN. FUN. The staff is sensitive to kids burning out or getting bored. They are so creative and implement fun new rules and challenges all the time. While it's hard to play games during COVID, owner David K. split the kids' regular pods of 12 into 3 mini-teams of four kids for the purposes of weekend games. Each mini team gets their own color t-shirt and the boys get to pick their own numbers and whatever name they want. I had no idea what a big deal this would be for the kids. They love it. Also, because of the mini pods, they get more time at bat and practice playing all positions. Music is often playing and they even have an announcer to add to the thrill of the game.

-FANTASTIC STAFF All the coaches have an area of expertise, pitching or catching, etc. They'll even set up mini-clinics for kids to focus on a particular skill during regular practice. They ask for feedback and actually respond to feedback by implementing changes. They clearly love what they do and it's infectious. Even the umpire at the weekend games is amazing and provides constructive input and tips to the kids while they play.

FOCUS ON THE WHOLE KID

Even though the staff is serious about baseball growth and skill development, they encourage kids to develop long term goals by filling out goal sheets, participating in local giving efforts, and becoming respectful, community-minded young people. During the winter break, David Klein developed a sort of baseball bingo/winter break activity sheet that incentivized the boys to stay active and physical, while earning "runs" for their mini-teams.

Thank you Coach K and all the coaches at Menlo Legends!"

Joan L. Burlingame, CA 7/28/2020

"My 10 year old just finished a three week baseball camp at Legends and had a really great time. With COVID, I was hesitant in signing him up for anything over the Summer. However, I could tell that the program was well run based on the questions asked of each family, the detailed protocols and process that was followed to keep coaches and kids safe.

My son has always loved baseball camp and came home each day talking about how he could improve his hitting and pitching form. He was even inspired to seek hitting lessons from one of the coaches. David who runs the program is extremely detailed and has the best communication of any camp director I've seen. This is 100% needed right now and my family appreciated it. Plus, as an added bonus, the coach put together an assessment video of my son which was spot on. We will definitely be seeking out Legends programs in the future."

Lauren G. Palo Alto, CA 7/27/2020

"Dave runs a fantastic program! My son (11) attended for 3 weeks in a row this summer and had a blast every single day (after complaining he didn't want to go in the first place!) Dave and his team took every precaution to ensure the camp was run in a safe and healthy manner during COVID-19. He was in contact with parents/families every day and was skilled at managing the campers' energy and emotions. Dave is an excellent role model for tween boys and combines baseball skills, competition, fitness, and overall fun in every program he runs."

Brooke L. Mountain View, CA 8/4/2020

"David and the team at Legends did an amazing job keeping the kids isolated from the fear of COVID-19 all while keeping them safe. It was highly emotionally beneficial for our son to escape the pandemic for a bit and enjoy teammates and sport!"

Carter B. Menlo Park, CA 7/28/2020

"David Klein and team run a very fun and high energy camp. Our son loved his 3 weeks there and came home with a smile every day. His baseball fundamentals improve greatly. Highly recommend."

Georgette C. Redwood City, CA 8/6/2020

"David Klein and his coaches did an amazing job over the summer with their pod baseball camps. The communication was fantastic thru the entire process. I especially loved how it seemed he went out of his way to give priority acceptance to kids of essential workers, unlike many camps which would be hesitant to accept them in the first place. The camp felt very safe and pickup and drop off protocols were organized and fairly streamlined considering the situation. Initially, my son was not super excited to go to a camp for one sport for 3 straight weeks but after the first day, he came home and was a changed boy. The light came back into his eyes which covid had temporarily extinguished. He was so excited to go to camp every single day. He even told me he enjoyed this experience more than his entire summer of club baseball last year, a huge endorsement. I also loved the positive and completely honest assessment David sent of our son after camp ended. Definitely some good things for my son to strive for. Thank you David and Legends! We will be back!"

Darren S of Mountain View 1.14.21

"Our 9 yo son attended the 2020 summer camp and 2 fall sessions of this wonderful program. In a year with very limited options and opportunities to participate in any activities, this was definitely a significant diamond in the rough (pun intended). David runs a professional and class A program that not only benefited our son's physical, social and mental development but also allowed the families and parents to have an opportunity for a positive experience and social interaction. The baseball skill development is exceptional and tailored to each kid and always has a positive and confidence building approach. It was also so well balanced with fun and morale building that our son never got tired or burnt out even though this was his only real physical focus for ~5 months. I wholeheartedly recommend this program and think it is a great opportunity for anyone looking to help their child develop skills, sportsmanship, knowledge of the game, and overall confidence"

Michelle G of menlo park 1.5.21

"Our family has been fortunate to work with David Klein and the Legends Baseball coaches/staff for many years. They are an absolutely remarkable team, focused on creating positive baseball experiences, building solid relationships between teammates and fostering good sportsmanship. David is organized, dependable and a thorough communicator. He has gone above and beyond to create a unique program during Covid that has been one of the true highlights of 2020 for my son. We highly recommend the Legends program and we will be back for many more years to come!"

Angie S of portola valley 1.20.21

"I cannot speak highly enough of Legends Baseball. David is not only a fabulous mentor to young ball players, he brings great energy and skill set to the field. He meticulously organized a safe summer clinic with no COVID cases and brought some normalcy into Fall ball during what is such a challenging and confusing time for kids. My 10-year old son played for Legends May-November and loved it. We are beyond grateful for the Legends programs and will be back for more!"

Chris W of Belmont 8.15.20

"My 9u son attended Menlo Park Legends baseball camp this summer. He was really excited as this was the first baseball camp where they actually got to play in kid pitch games. He also loved being able to win baseball cards and had a blast. As a parent, I liked the safety precautions being taken, the ability to watch the games and the nice written player evaluation at the end of the camp. I recommend this camp."

Tony of Menlo Park 7.3.20

"I can't thank you enough for the time that Augie spent in Legends camp the last three weeks. He had an incredible time and improved his skills a tremendous amount. You run a great program and your adjustments due to the COVID situation were safe and seamless, and also provided a ton of assurances to his mother and I that he would be kept out of harms way. The check in process was quick and efficient and followed all protocols to ensure healthy campers. Your communication about the new procedures and other camp news was excellent and you covered all the bases, keeping campers and parents well informed in this new normal."

Augie really enjoyed the drills and On Field games, as well as the carnival and card trading games. The mixing up of the activities kept each session fresh and exciting and Augie looked forward to each day and what it would bring. The online portion of the camp was another nice way to give the kids a break, but keep them engaged in the camp on the off day each week. The camp was pretty intense due to the three week session, but it flew by and Augie really enjoyed each day. There was no burn-out, and his energy and excitement about the camp did not wane at all as the weeks went by. He would come home each day and tell me all about each hit he got, each out he was a part of and each of the drills he crushed. Hitting a ball to the fence was a great story (one I have heard a few times) and one of the highlights of the session."

The smaller groups allowed for excellent individual instruction and I saw notable improvement in some of the weak spots in Augie's game. I really appreciated the end of camp assessment you provided and the obvious thought and time that you spent on outlining Augie's strengths and areas where he could improve.

The other coaches were excellent and brought great energy to the camp. They all love baseball and it shows in their enthusiasm.

It's obvious that you love what you do and it shows in your dedication to the camp and making the kids better players. As a coach myself, I'm impressed with your patience, energy, ability to teach and your love of the game. I can't recommend your program enough and we look forward to joining the camp again!"

Sean of Woodside 7.20.20

"As a parent, longtime youth sports coach and advocate for youth mentorship, including the development of sportsmanship, teamwork, work ethic, inclusiveness, etc., my Wife and I have high expectations for summer sports camps. David and the Menlo Legends camp provide a unique and valuable experience for young kids that have a passion for baseball.

While we were apprehensive about sending our son to a camp this summer - we'd previously had a very positive experience with David and the Menlo Legend program. We were impressed with how David stepped in quickly to offer an online program during the stay-at-home order and then soon thereafter organized the first baseball camp compliant with the county guidelines.

The Menlo Legends camp was exceptionally well planned and run. Our son looked forward to going to camp every day and came home each day with fun stories. He made some new friends and spent quality time with existing friends. Our kids need outdoor time, need to interact with others and need to feel normal - and David's camp provided us with this opportunity.

Our son wants to attend another camp before the summer ends.....
